All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man of God may be adequate, equipped for every good work.

2 Timothy 3:16-17

Shalom!

I would very much like you to join me on a trip to the Holy Land.

I know it takes a while for most Christians to save up the approximately \$4,000 required for such a trip. That is why I'm letting you know now the dates I've set aside for some future trips to Israel. It takes 20 people to make any trip cost effective for the tour company, so I need about that many people to contact me with their very firm conviction that they will go before I make any official arrangements. (And the tour company would like me to design the trip about nine months ahead of time—basically by August of the year previous.)

I guarantee you that any trip will include major sites of Biblical interest, such as Caesarea Maritima, Megiddo, Nazareth, Capernaum, the Sea of Galilee, Caesarea Philippi, Dan, the Jordan River, Qumran, Masada and the Dead Sea; plus at least three days at the Holy City of Jerusalem. You will not be disappointed with what I pack in to our journey.

The price of each tour will include round trip air fare from Chicago, excellent hotels with breakfast & supper every day, ground transportation on an air conditioned, wi-fi equipped touring coach and all tour site entry fees. You should know that the company we use is outstanding at providing great value for the money you will spend on this adventure.

I've tried to select spring-time dates that avoid major Jewish holidays & very hot weather.
